or 603-340-2601 days

Ed Wladkowski & Eris Tirrell
603-736-9567

The campground is on Route 32. It is approximately 12 miles south of Keene NH. The nearest cross road is Route 119. For those GPS users, the address is 100 Athol Road, Richmond NH.
Their website is http://www.ucampnh.com/shir-roy

NOTE: DO NOT ENTER THRU CAMPGROUND'S MAIN ENTRANCE. ENTER THRU THE EXIT - LOOK FOR THE GRANITE STATER SIGNS. The tree clearance from the main entrance to safari field is not good.

Amenities: We will be in the Safari field which has 30 amp hookup, water and sewer. There is a store and a rec hall but it is a distance from the safari field. We will have a common area in the safari field using the EZ-Ups for our functions (coffee, games etc). The campground has a swimming area (Pond) and a small playground near the office/store/rec hall. The pond offers freshwater fishing (license required)- Bring your pole and join Ed, Eris & Sandy. There is also a ball field near the safari field for anyone wanting to get a game going. There are several restaurants, stores, hiking trails, and state parks just a short driving distance away.
