GRANITE STATERS PRE-RALLY

January 27- 30, 2012

Hernando County Airport - Brooksville, FL 34604
Host: Bob Burnham

This year we will again be parked on the runway, and very near the entertainment tent, for our pre-rally, Friday, January 27, 2012 to Monday, January 30th. The parking crew has always been cooperative with us in saving spots for those we knew could not arrive on Friday, but we can not guarantee that you will park with us if you arrive later. General parking for the Southeast Area (SEA) rally begins on Monday morning, January 30, 2012, but we will already have been parked. Fresh water for filling your tank is located adjacent to the runway and the three dump stations are nearby.

IMPORTANT! The east runway may be active on Friday. Be sure to stop at the STOP signs and look both ways, and in the skies, for approaching aircraft.

For the pre-rally we will have a “bring your own breakfast” and our usual social hour each day. For the social hour, please bring a dish to share. A dinner out at Chefs of Napoli in Spring Hill is an annual favorite. Other activities will be planned day by day. There will be no rally fee charged for the pre-rally.

The parking fee on the runway for the three days is \$30.00 and will be collected upon your arrival by the host. So that we can reserve a runway spot for you, please call or email Bob at 603 762-0172 or burnham@sover.net.

During the SEA rally, if you are not parked with us please join us for Social Hour each afternoon at 4:00 except Thursday when we will gather after the parade. We will also have pastries Monday and Tuesday mornings. You must be registered with the Southeast Area Association to attend the Southeast Area Rally. If not, you may still come to the pre-rally, but you will either have to register at the SEA office or leave the premises on Monday, January 30th. A registration form is on page 69 of the November issue of Family Motor Coaching magazine
