

GRANITE STATERS

**Pre Rally Before the Southeast Area Rally
Hernando County Airport
Brooksville, Florida
January 29 - February 1, 2010
Hosts: Bucky and Thelma Buck and Bob Burnham**

A dream of former Granite Staters President Bruce Brown will come true this year as we hold our annual pre-rally directly on the runway at the Southeast Area rally site. We are dedicating this rally to Bruce's memory. What this means is that we will not be faced with the Monday morning caravan into the airport; we'll already be parked on it, and nearer to the entertainment tent than ever before. Three nights of dry-camp parking will start on Friday, January 29, 2010 and end Monday morning, February 1, 2010 when the SEA rally is open for general parking. Fresh water for filling your tank is located adjacent to the runway and the three dump stations are nearby. The camping fee is \$30.00 for the three nights which will be collected upon your arrival by the hosts. A full schedule of rally events will be available then, and it will include our usual morning and afternoon get togethers.

IMPORTANT! The east runway will be active on Friday. Be sure to stop at the STOP signs and look both ways, and in the skies, for approaching aircraft.

We will need a count of coaches attending the pre-rally so that enough spaces will be reserved for us. Please call 603 762-0172 or email burnham@sover.net before January 15, 2010 to let us know your plans. SEA Rally credentials are not required for admission to the pre-rally; however, if you are not pre-registered you must either leave the airport by Monday morning or register at the SEA office.
